Every Child Deserves a Home

Family Promise of Brevard is dedicated to keeping homeless families with children together as a unit, providing them temporary shelter and meals through an interfaith network of congregations, and assisting them in obtaining human services, permanent employment, and safe affordable housing, so they can achieve self-sufficiency and lasting independence. We have been operational in Brevard County for the past three years through the generosity and partnerships with 25 congregations, over 600 volunteers, community organizations, corporations and committed individuals. In that time, over 86% of our families have achieved stable housing with an average length of stay of 34 days.
